

# Mastercard ID Theft Protection™

Introducing **FREE** theft protection services for all Flex Facts cardholders

Flex Facts is pleased to offer its cardholders complimentary access to **Mastercard's Identity Theft Protection Program with CSID**, an industry leader in identity protection and fraud detection, to help keep your information safe.

## How do you enroll in this benefit?

Once you receive your Flex Facts Mastercard, you are eligible to enroll online at NO cost for immediate access to benefits to help detect and resolve identity theft.

**ENROLL ONLINE:**  
[www.mastercard.us/idtheftalerts](http://www.mastercard.us/idtheftalerts)

## Your plan includes the following benefits:

### ID Theft Alerts™

*We monitor what you can't see*

ID Theft Alerts scours the Internet and alerts you if it detects that you personal info - credit or debit card, Social Security Number, driver's license or other sensitive data - is being bought or sold online.

### Emergency Wallet Replacement

*We help replace your cards*

If your wallet plus all of your cards and documents are lost or stolen, experts are here to help you get replacements right away.  
Call 1-800-MASTERCARD for assistance.

### Expert Resolution Services

*We help you get back your good name*

Experts guide you through what can be an overwhelming process, from filing an affidavit and cancelling accounts to notifying the major credit reporting agencies.  
We're here 24/7/365.

## Have more than one credit card?

When it comes to protecting your personal information, you can't put a price on peace of mind.  
Register all of your debit/credit cards at no additional cost.

This plan is portable so if you no longer participate in the FSA, you can continue using all the benefits.
